Dear Parents/Carers,

### Colour Run – Friday 27 May 2022

The NSfG PE Department are pleased to announce that we once again can hold our amazing event of a Colour Run for 2022. This event consists of students participating in a short distance run while throwing and running through powder paint.

### The event will run during Period 5 on Friday 27 May 2022.

Your child will have the opportunity to purchase tickets for the event during base times. If your child does not purchase a ticket they will be required to stay in lesson.

#### Cost:

- £1 entry fee for runners (including 1 pouch of paint)
- £1 entry fee for spectators (viewing area access only)
- Each additional pouch of paint is £1 (purchased on the day)

If your child would like to take part, either as a runner or spectator, they will need to change during lunchtime into clothes that you are happy for them to get paint on. We suggest your child wears older clothes and are advised to wear a plain white T-shirt for the full effect of the colour run.

All ingredients used are well known and have a history of safe use in this activity, with no reports of significant adverse effects or reactions, however, sunglasses are recommended to limit contact with eyes.

**It is important to be aware, that after the event there are no available facilities for the students to wash or remove the paint, so therefore they will be coming home in their paint covered clothes.**

We look forward to what we are sure will be a very enjoyable event.

Yours faithfully

Miss L Thomas  
Subject Leader of PE
