IBO Mission Statement

The International Baccalaureate Organisation aims to develop enquiring, knowledgeable and caring young people who help to create a better and more peaceful world through international understanding and respect.

To this end, the IBO works with schools, Government and international organisations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

Admissions Policy

Northfleet School for Girls IBCP course seeks to admit suitably-qualified students of all nationalities that are keen to develop their 21st Century skills and global competencies on a daily basis within a rigorous academic environment. The school's admissions policy is to conduct its admissions on a fair and non-discriminatory basis, adhering to the admissions criteria.

Northfleet School for Girls IBCP course seeks to create balanced social and learning groups characterised by diversity of nationality, ethnic background and life experience. This community will be united by a common goal of developing the attitudes and interpersonal skills required for successful.

International Baccalaureate learners worldwide - that is, students who are collaborative, internationally-minded and able to engage meaningfully in independent inquiry. Further details are set out in the Admissions Criteria and Admissions Process of the School. The school continually seeks to improve accessibility (see the SEN policy). The school's policies on equal opportunity and disability are also available on request.

Admissions Criteria

Northfleet School for Girls IBCP course seeks applications from students who can demonstrate they possess the appropriate levels of academic readiness (typically average to above-average), as well as the excellent attitudes and interpersonal and academic skills required for successful learning in the school.
