Headteacher: *Mr Chris Norwood B.Ed (Hons) MA*

Dear Student

Pathway B

In September 2022, you will begin your General Certificate of Secondary Education (GCSE) and equivalent courses which will mostly be examined at the end of Year 11.

The GCSE Options process is an exciting time of your life and although part of the curriculum is compulsory for all students, there is also an element of choice. This allows you to have the opportunity to shape aspects of your own learning according to your personal interests and future education and career aspirations. You will have discussions with your parents and teachers, to select the subjects you will study during this time and will provide a useful reference during the next three years.

English Baccalaureate qualification;

At school we aim to provide you with a broad, balanced curriculum based on current National Curriculum guidelines, some of you may consider studying for the full **English Baccalaureate qualification**. This will give you maximum flexibility in your future choices for academic study or career. Your choices, will allow you to study eight subjects at full GCSE level. In order to study the full English Baccalaureate students must study a modern foreign language and either History or Geography.

Ideas about possible A Level choices and future careers may help you to make your choices but if you do not have any firm ideas about your future, then a balanced choice of subjects is advised. You should speak to your base leader regarding your ability in option choice subjects and think carefully about the work load implications. There will be careers information via the PSHE programme, base time and year group assemblies. You and your parents will also have an opportunity to speak to subject staff and our in-school career advisor during the Options Evening to gather information on the GCSE Option choices available.

During the evening please make sure you carefully study all the information available to you and follow advice from your teachers and parents so that you can make informed choices.

Key dates for the options process:

- Thursday 24 March – Year 8 GCSE Options Evening
- Friday 1 April – deadline for students to submit their option choices.
- Term 5 – student in-school interviews to confirm option choices.
- Should a student wish to make any changes following the submission of their final options form these should be made formally in writing addressed to Mrs Dowden by 1 June. Requests will be considered in order of receipt.
- Term 6 - Option choices confirmation letters are issued.

Further details of all your pathway options and full instructions on how to select your options can be found on <https://www.nsfg.org.uk/options/>

Good luck with your decisions.

Mrs J Dowden
